### ***Allowable Subject Matter***

1. Claims 1-17 and 53-69 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 1-17 and 53-69 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior art which teaches an image reading apparatus comprising wherein said time measuring part selects a time to be measured according to a predetermined condition, and said defining part determines whether sheets of the original are part of a same document based on the time between reading the successive of sheets of the original and whether the selected time has elapsed without an operation concerning a reading operation being re-started after the reading operation of said reading part is once stopped, respectively, as set forth in Claims 1 and 53 including all of the features recited therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***
